**NOW**

**Notice:** Where my attention is.

**Observe:** What I’m doing. Say to myself: “I am walking”, “I am sitting”, “I am breathing”, then notice those sensations in your body.

**Wise Mind:** What now? How shall I continue? Doing or Being?

If you want an explanation for your present, look at your past.

If you want to know your future, look at your present.

**Mindfulness for Busy People**

- Choose an activity to do mindfully throughout the day, for one, two or five minutes. For example: Drink a cup of tea. Walk. Wash the dishes.
- Whatever you are doing, be in that moment, right now. See, hear, smell, touch, feel, breathe.
- Simply notice whenever other thoughts and sensations come to mind, then re-focus on your chosen mindful activity.
- Be patient and compassionate with yourself.
- Describe... rather than judge good or bad, pleasant or unpleasant.
- It is as it is.
- It will pass.
